SUBJECT: **Seattle LGBT Commission 2010 Work Plan**

Attached is the 2010 work plan for the Seattle LGBT Commission. Our 2010 plan reflects the work of our three sub-committees: **Internal Affairs**, **Programs and Outreach** and **Government Relations**.

- **Internal Affairs** manages the internal workings and business items for the Commission, including bylaws, internal communication and commissioner liaison assignments in the public and governmental sectors.
- **Programs and Outreach** is responsible for marketing and external communications, Commission events, community outreach and partnerships with other organizations.
- **Government Relations** acts as the conduit between the LGBT Commission and other governmental and legislative entities.

We are excited to enter 2010 with a new name and the commitment to continue the LGBT Community Needs Assessment that began in 2008. We have scheduled to have a community meeting next week to get things moving.

We are looking forward to meeting with you on Wednesday May 19 to review the highlights of the plan, and to answer any questions you may have.

For more information prior to our meeting, please contact SOCR staff liaison Marta Idowu at 684-4540 or [marta.idowu@seattle.gov](mailto:marta.idowu@seattle.gov).
